### For Immediate Release

## **ORION ENGINEERED CARBONS SPECIALTY CARBON BLACK PRICE INCREASE**

LUXEMBOURG, February 2, 2018 - Orion Engineered Carbons announced today that it began implementing price increases on all Specialty Carbon Blacks worldwide beginning January 1st, 2018.

The increases vary depending on the grade, the sales region and the end market.

These price increases support Orion's ability to maintain the service levels and technical support required for high quality Specialty Carbon Blacks for its customers.

Orion is committed to an ongoing review of costs and markets and will continue to keep customers informed of any changes that may occur. In case of questions, please contact your local Orion sales representative.

### **About Orion Engineered Carbons S.A. (NYSE: OEC)**

Orion Engineered Carbons is a worldwide supplier of Carbon Black. The Company offers standard and high-performance products for Coatings, Printing Inks, Polymers, Rubber and other applications. Our high-quality Gas Blacks, Furnace Blacks and Specialty Carbon Blacks tint, colorize and enhance the performance of plastics, paints

and coatings, inks and toners, adhesives and sealants, tires, and manufactured rubber goods such as automotive belts and hoses. With 1,441 employees worldwide, Orion Engineered Carbons runs 14 global production sites and four Applied Technology Centers. For more information visit our website [www.orioncarbons.com](http://www.orioncarbons.com).
